EXPERIENCE AND ROLES

Pedro Gard Brito was born in Lisbon and started working in the Financial Department of an Automobile Parts Factory from FIAT group. He has Portuguese-Belgium roots.

Pedro started his executive career in 1995 in Africa, being part of a team of Economic Advisors for the Minister of Finance in Luanda. After some years in Consulting, with KPMG Lisbon, and CFO and General Management experience in the Health Sector in Portugal (ap.8 years), he returned to Angola for a new experience as CFO of a Portuguese firm in Communication and Marketing, and CFO of an Angolan Agriculture Producer.

Experience in analysing financial performance of companies in the sectors: Health (Clinics, Hospitals, Healthcare Providers, Third Age Residencies and Pharmacies) Factory lines (Mouldes and Automotive Radiators, Water Bottling, etc), Agriculture and meat production (Swine, Poultry), Real Estate (Architecture, Construction, Sales), Banking.
